---------------	---	--------

Students should check course prerequisites in the university catalog.

Course Substitutions can be made with fully-approved transferable courses from international partners. This must be discussed with Global Opportunities Coordinator.

Students with this minor are required to complete an approved international experience. The international experience requirement must be approved by the coordinator for College of Business International Programs, Chris Schrage. Credits earned through a departmental internship having international experience and focus may be used to fulfill the international electives of this minor as well as meet the international experience course requirement. Courses taken to fulfill the requirements of a student's major may be double counted toward this minor. Students with questions about the international business industry should contact the Director of Global Programs, Dr. Farzad Moussavi.

¹This course fulfills the Category 5, Group A requirement of the Liberal Arts Core.

² This course fulfills the Category 5, Group B requirement of the Liberal Arts Core.

³This course fulfills the Category 6, Capstone Experience requirement of the Liberal Arts Core. Other global perspective Capstone courses may be approved by the coordinator for College of Business international programs to fulfill the requirements of this elective.
